

SUNDAY

Just a reminder about this Sunday's friendly vs Mansfield Rangers, kick off at 12.30pm Ashton Playing Fields, 598 Chigwell Road, Woodford Green, IG8 8AA. There are no changing rooms open but hopefully the toilets will be, we will be wearing our reserve kit of orange shirts and light blue shorts/socks, I'm holding back the home kit until the cup final, if you are not available can you please message me privately. This is a fee paying game as we have the pitch and referee to pay, £5 per person please.

COVID-19

Attached is our Covid 19 care plan, please read carefully as we all need to be fully aware of what we can and cannot do, I have a duty of care to everyone so myself and Paul will ensure that we carry out these actions to the best exemplar of personal hygiene.

Handing out the kit

As part of the new procedures we have to carry out following the cup final everyone will be given their own shorts and socks so we avoid the sharing of any unnecessary use of kit and equipment, both the shorts and socks are completely new for the final and are still in their packaging, they remain the clubs property but you'll have to bring them to every game, the shirts I will keep and wash each week but I will nominate a squad number in a week or so to ensure again that its only one person using that shirt.

Training

Now we are back to playing on a Sunday it makes sense to revert back to a Wednesday night for training, I am waiting for the hire company at Lea Valley School to get back to me on a return date, Enfield Council is holding up this decision, I have asked again this morning, the daylight will soon fade for the playing fields to be an option but we are trying to find a local temporary replacement.

Hello and Goodbye

GOOD BYE & GOOD LUCK!

I never like to loose players but the reality of life is that this does happen occasionally, during the summer we have lost Harry Butler to another league member team and Rory Wheeler to a team in another area, I must admit I was disappointed and made every effort to keep both of them however I have wished them well and every success and so we move on, therefore we move on ourselves and continue to make this the most successful and well run team with access to the best facilities, coaches and equipment, I have asked James to use our social media platforms to find two new squad members, I consider that's all we need however if you have a friend who wants to join please let me know.

Cup Final and league start date

We have a confirmed date for the final now of the 20th September, this is a week later than I anticipated but we now start our league programme on Sunday 13th September, match details for that date have not been issued yet. I am trying to arrange another friendly for the 6th September presently.
